| The goal of this test is to check that automatic add of crop-lines works on several pages document. A first implementation were only working for elements that were direct children of the '.page' element. |  |  |
|---|--|--|
|   |  |  |
| Ticket<br>#1  |  |  |
|   |  |  |

| Did it work on the second page ? |  |  |
|----------------------------------|--|--|
|                                  |  |  |
| Ticket<br>#2                     |  |  |
|                                  |  |  |
